It is not necessary to send a cheque. We try to have our League Draft in late April or early June and so, if we can fit you in next season, you will be asked to fill out a proper registration form and submit a cheque prior to the Draft ().

If you are unable to join the League when contacted, please let us know whether or not to take your name off the list.

Players to be accepted into the League will be selected, as needed, in the following order:

- First Choice - Players registered in the current season who have submitted the registration form and paid their dues by the date stipulated on the form.
- Second Choice - Players who have played in the League before, dropped out for a valid reason, but left their name on the waiting list and wish to return.
- Third Choice - Prospective players on the waiting list as needed if their cheque and registration form have been submitted by the date stipulated by the Executive.

- 
- Each year there are usually a few players who drop out of the League for personal reasons after the draft and some after the season has started. We then call on players from the waiting list.
